

Certificate

for fire extinguishing media

This is to confirm that the below stated **liquid fire extinguishing medium (solution ready for use, anti freeze agent)** is approved following to the applicable requirements of the standards DIN EN 1568 and DIN EN 3 as well as on basis of the existing test reports for fire extinguish purposes for fire classes **A und B** according to DIN EN 2 under the following certification number:

SP 151/07

Test report no: 2007-F-1538/Fm 03-1

Holder of certificate: Dafo Fomtec AB, P.O. Box 683, SE-13526 Tyresö, Schweden

Manufacturer: Dafo Fomtec AB, P.O. Box 683, SE-13526 Tyresö, Schweden

Name of the product: Forrex AB-30

Ingredients notified: -

Fire extinguishing performance:

Confirmation with portable DIN EN 3 fire extinguishers:

13 A according to DIN EN 3-7 with 6 litre fire extinguishing medium

144 B according to DIN EN 3-7 with 6 litre fire extinguishing medium

Freezing point: - 25 °C

Information: The packing of the fire extinguishing medium is to mark with the required information, e.g. according to the Gefahrstoffverordnung.

The fire extinguishing medium has been examined following to the applicable requirements of the standards DIN EN 1568 and DIN EN 3 (Internal examination instructions of MPA Dresden for test of water based fire extinguishing media dated August 25th 2003).

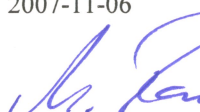

The packing of the medium is solid to mark with the required information of the extinguishing medium. Additionally it is allowed to mark the product with the certification number **SP 151/07** as registered according to this certificate.

This certification is valid only for fire extinguishing media those comply with the supplied and stored test sample.

Certificates of conformity of portable or mobile fire extinguishers are valid in connection with the fire extinguishing media which were used for the type test of the fire extinguisher.

The above specified European standards relate to the date of this certification.
